Experiential Catering | Apple Orchard

In a complex world the simple, yet spectacular can get overlooked. The apple.... Possessing timeless nutrition and versatility, Zemra will unveil the tastes and possibilities of what is growing in our backyard. Although best at harvest time, the Apple Orchard is a refreshing reminder to your Guests at any time of year. A few in a paper bag to take home lets your Guests know you care about their health and you are supporting local farmers and sustainable agriculture in Ontario.
